(All Zonal Railways & Production Units)

Sub:-Appendix-2 IREM examination.

One of the zonal Railway has sought clarification with regard to introduction of 50% objective type questions in the written test for Appendix-2 IREM examination in terms of E/NG-I-2000/PM1/41 dated 7/8/03. The matter has been examined in consultation with Establishment Directorate/Railway Board and it is clarified that as per Para 219 (c) (ii)/IREM/Vol-I, the provision of objective type questions is not applicable to Accounts department.

Kindly review the system on your Railway and ensure that extant instructions are followed scrupulously.
